TO WHOM IT MAY CONCERN- Sandra L-Taljaard

Dear Sir/madam

I am writing this letter to recommend the services of Sandra L Taljaard (Style Challenge International). During the past few years Sandra and myself (North West University Business School) have been working together on numerous projects. Her high quality services and the work she has done for the MBA students on “rounding” them off for the workplace are commended.

Projects we worked on was – “Sculpture Your Professional Image in Africa”, “Style Challenge your executive image”, “Your Professional Image – Walk the Walk, Talk the Talk and Look the Part” , in her capacity as a guest lecturer. I also coached her on growing the business.

Its my view that Sandra from Style Challenge International is knowledgeable, creative and experienced to perform on the next level too and are looking forward to working with her again in future engagements. Add to that her passion for what she’s doing make her an asset to any organisation that she is engaging. As such I really recommend her services!

Yours sincerely

Prof Ronnie Lotriet
